## Rob Roberts Memorial Trail

Competitor's Report  
by Stav

Some of our younger members will not remember Rob Robert from Bodedern affectionately known as Rob Boded.....He was a stalwart of the club... A committee member for many years who competed in his white Mk2 and was no slouch behind the wheel...I must admit I did have the pleasure of sitting with Rob on a couple of rallies, he also competed on most of the club Pct's and autotests. He also was organiser of the Palferman rally and of course he did organise this Pct....believe you me he is sorely missed but his spirit will live on for many a year

Right then where do I start...well the long awaited return just had to happen Especially as I have been on about it for a couple of years so I decided that a Pct would be a good Laugh... and boy oh boy it was as well. Lee Had set out 4 hills and a timed one..MMM said I how simple could that be and how costly it was going to be as well.....We all started the event on different hills of varying degree of difficulty...and

some were more flipping difficult to walk up let alone drive up due the rain we had in the morning. As clubmen we started on Hill 4 the steepest of the lot Manned by our organiser off I went with gusto wey hey a 5 not to bad the event winner got a 0 so off I went to the timed hill...here things didn't quite go to plan....well you see me excuse is simple I dint have a passenger...OK OK OK that's a poor excuse isn't it, As Jamie pointed out bloody fast time there Stav ...Shame you went the wrong way ...I cracked up with Laughter no point in getting wound up was there....a FEW choice words were said to myself under my breath I must admit to that one !!!!!!!!!!!!!!!

So off I went to hill 1 and it went slightly better with a 3 hill 2 was a 7 Hill 3 ended up with a horrible 9 But this seemed to be the average for this hill Giving me a total for the first round of 36 netting 3rd place overall so I was well pleased with that one.

Round 2 went ok ish ...well GUESS who dropped a clanger of sorts AGAIN...well the Micra decided to go one way and me the other....OK I spun out.so a reverse flick was executed and I carried on...but I did stop forward motion but as Jamie said sorry Stav who got it wrong again and got a max...GRRRRR ha ha ,after this round was completed I scored a total of 35 and got myself up to Second overall in the clubman section.

It was now time to part with some cash at Sion's buttie wagon and some warm coffee...Yet again it was spot on. Suitable sustained it was time to go and inspect what Lee had in store for us in the afternoon...He had moved some of the poles on the hills to give us some fresh grass to drive on and also changed the timed hill as well.....Here Stav realised he hadn't dropped his tyre pressures down to the minimum allowed....Oh what a costly mistake it was going to be.

Round 3 started brilliantly for me when I simply drove up he hill that Lee was on and scored a big fat Zero was I happy...you bet was The Micra started to climb the hills far easier now the tyres were gripping, the timed section was tackled with gusto with the little Micra thinking it was rwd...just couldn't help myself playing on the bar !!!!!!!!!!!!!!! This round resulted with a total of 10 and still Second overall.

Round 4 I just couldn't get another zero on Lee's hill as I simply lifted off mid hill and caused me to get a 3 hey ho I was enjoying myself so who cares...I ended up with a total of 18 and still second.

Well I must admit that the hero of the event for me was Kevin from Bala who was out in his Dutton and was covered form head to toe in Mud but was grinning from ear to ear mind you he did give Lee a heart attack when he got it slightly wrong on his hill and nearly went off the edge of the hill down to the stone wall...Thankfully he managed to save himself.

The Restricted event was won by Rupert North in his Mini...The Clubman was won by Stephen Mc Ennhill in his Saxo.

Last but not least the land owner without his co operation and kindness we would not have had the event
