Ty Mawr Autotest

20th August 2017

As usual another successful event under our belt. Lets start by thanking all involved. Without the quarry owners, marshals, organisers, buttie van and competitors the event couldn't go ahead. After being spoilt with the use of Bwlch quarry for so long, losing it was a big blow to the club. So we got asked to go and view a potential new venue we jumped at the chance. After meeting with the owners of the Ty Mawr Quarry it soon became apparent that we had found a cracking new venue.

Not knowing how well the new venue would cope with 35 entries I set out 6 small courses with a target time of about a minute each to keep the competitors flowing.

Photo: Dyfed Lloyd Jones/Facebook

To be fair the ground coped well with punishment in all but one place with reports off drivers that it was getting a bit rough in one part where the ground was a bit soft. With the help off a few bystanders we manage to clear the big rocks and fill in the ruts.

Awards went to

FTD autosolo	Tom Parkes
FTD pca	Paul Morris
Fastest lady	Alwen Williams
Fastest jnr	Ben Jones

Lets hope this was the first of many days to be spent at this cracking new venue.

Jamie Jones coc

CAMC Scatter Rally

1st October 2017

New Event

A Scatter Rally involves navigating your way to various pre plotted points on a 114 OS map, which have been 'scattered' around the map, collecting information or items from that point to score points.
Your aim in the allocated time of 3.5 hours will be to visit as many of these points as you can in any order that you so wish. The crew who has collected the most points within the allocated time will be the winners. In the case of a tie, it will be decided in favour of the crew who has collected the highest number of high scoring points.

Open to everyone, more than 2 people are allowed in the car but all passengers must be signed on and wear seat belts at all times while the car is in motion.

Start venue, Barnes Auto Engineering, Four Crosses, Menai Bridge, LL59 5RP

Signing on 10.30 to 11.30, the first set of plots will be given at signing on, the second set at 11.30, the earlier you sign on, the longer you have to plot.

More details to come on the website or contact Francine or Lee
