This year's Glyn Memorial Stages is also a round of the Junior F1000 Rally Championship 2018, as defined by the championship rules. As part of the MSA requirements/regulations for this championship, competitors in the championship must run on stages by themselves, i.e. there must not be any of the competitors from the main events on the stage at the same time as the Junior's.

To achieve this there will be a gap between the main event, & the Junior's which will therefore stretch the running of all the days stages to the limit. In order to achieve this, cars in the Junior event will be interposed from the first running of the stage straight back into the second running of the stage, and road timing between stages will be operating. Just as road timing will be operating in the main event.

As soon as all cars from the main event have completed the pair of stages, or maximum lateness of the last car in the main event has been reached, the Junior Rally will be started.

At that point no cars from the main event will be allowed to move on the stage until the Junior's have finished their 2 runs through. If you have stopped on stage for any reason and the Junior's have started YOU MUST NOT MOVE UNTIL THEY HAVE FINISHED THEIR 2 RUNS THROUGH THE STAGE. (Junior runners will be denoted by running numbers 101 upwards)

The Penalty For Disobeying this Instruction WILL BE DISQUALIFICATION From The Event, Reported to the Stewards of the Meeting, and The MSA.

After the Junior's have finished you will be given permission to return to the paddock.

All competing cars must be as per Junior 1000 Rally Championship 2018.
