Saturday & Sunday 1st/2nd June 2024

To be held at Trac Môn/Anglesey Circuit

FOREWORD

On behalf of the organising committee, a warm welcome to the Lucas Oil Rali Menai organised by the Caernarvonshire and Anglesey Motor Club Ltd.

A warm welcome once again to Lucas Oil as our event sponsor. With their European headquarters located on Anglesey and with their rich history in motorsport, Lucas Oil and Rali Menai are the perfect combination and we look forward to growing the event with their support over the coming years. There are some exciting times to come for this event and we hope you will join us on that journey.

We had hoped to welcome you this year to a hybrid event, part closed road, part single venue but unfortunately, we could not get the event off the ground for '24. Rest assured however that work is progressing in the background for 2025.

We have however changed the format for this year in preparation for 2025 and are offering 12 stages over 2 days. On track activities will start on Saturday afternoon with 4 stages being run followed by 8 stages on the Sunday.

The event once again forms a part of the following championships:-

- JD Tyres Welsh National Tarmacadam Championship
- ANWCC Stage Rally Championship
- ANWCC North Wales Stage Rally Challenge
- ANWCC Ladies Rally Championship
- ANWCC Allrounders Championship
- The Glynne Edwards Memorial Championship

A warm welcome to all championship contenders and we hope you have a successful day's motorsport.

Wishing you a safe and enjoyable weekend's motorsport at Anglesey Circuit

The organising team.

18. VIRTUAL NOTICEBOARD

The event will run a Sportity virtual noticeboard; this will be the official noticeboard for the event. Any official notices or bulletins will be displayed on the virtual noticeboard and will have the same power as these SR's. Competitors will be able to download roadbooks, timecards, etc., from the noticeboard prior to the event.

Sportity Code: **CAMC**

19. ROADBOOK/TIMECARDS

Competitors will be supplied with a roadbook with details of all the stages. These documents will provide all the information necessary to enable competitors to comply with (R33.1 to R33.1.9). The use of pace notes will not be permitted, on penalty of disqualification.

The event will be using the check sheet only system for recording stage times to minimise paper handling. Timecards will be for competitors own records, to be completed by competitors if desired.

20. DRIVING ON THE RACE CIRCUIT WITH DEFLATED TYRE. ETC.

Under the conditions of our contract with Anglesey Circuit, no competitor with a deflated tyre or mechanical problems likely to cause damage to the race circuit is to drive on any part of the circuit forming part of a special stage. Any competitor who breaches this condition may be reported to the Stewards of the Meeting who may impose a penalty of disqualification from the event. Furthermore, the competitor may be required to pay for any damage caused to the surface of the circuit.

Any competitor who uses the grass & cuts corners, likely to damage the landscaping, may be reported to the Clerk of the Course who may impose the penalty of 60 seconds for the first offence, and disqualification from the event for the second offence.

21. RED FLAG PROCEDURE

R25.6.4. On passing a Red Flag displayed by a marshal wearing a marshals' tabard, the driver MUST immediately and significantly reduce speed as well as being prepared to stop at any time. At no time must they overtake any safety vehicle they encounter on the special stage route. The driver must then follow the instructions of any marshals and/or stage safety personnel and maintain this reduced speed until leaving the special stage. Failure to comply with this rule will incur a penalty at the discretion of the Clerk of the Course.

22. SERVICE AREA - R38.1.1 to R39.3.3

Competitors will be supplied with 5 tickets per entry.

Organised assistance (service) will only be permitted in the designated service area R38.1.1.

All entrants must provide a ground sheet upon which the car must be serviced.

The service/paddock area has recently been resurfaced, NO pins, stacks, etc., may be driven into the ground within the service area. The circuit will charge any person contravening this rule.

A 5MPH speed limit will be in operation throughout the weekend in the service area and must be strictly observed.

All entrants, competitors & service crew should be familiar with "Rally Future" edition 3, Annexes P & Q, Service Area Guidelines. This is available on the Motorsport UK website.

Fuel will not be available at the venue.

The service area is a NO SMOKING AREA

Service vehicles and personnel will only be admitted to the venue on production of a pass, five of which will be emailed to competitors in the week leading up to the event.

23. TYRES

Competitors are reminded of new regulations published regarding tyre allocations (R48.5.11).

Competitors must complete a tyre declaration form, attached to the roadbook.

It is expected that the form be appropriately filled, and be available for inspection following each service point.

The maximum tyre allocation for the event will be confirmed via Bulletin.

24. REFUELING

Refueling will only be permitted within the service area R38.1.5. The service area will be the designated refuel area.

There must be no one inside the vehicle, and the engine must be switched off whilst refueling is taking place. The refueling personnel must be wearing clothing which will provide adequate protection against fire.

Vehicle fire extinguishers must be armed, and handheld fire extinguishers available outside the vehicle whilst the vehicle is being refueled.

The competitor is responsible for protecting the ground with an environmental mat, which shall be composed of an absorbent upper part and an impermeable lower part.

The responsibility for refueling is incumbent on the competitor alone.

25. FUEL

Competitors may use Pump Fuel as defined in the 2024 Motorsport Yearbook Nomenclature and Definitions. No other specific permission has been requested or granted by Motorsport UK.

For clarification, for 2024 this now includes FIA Appendix J, Article J5:13:4.

Competitors using fuel that does not comply with the Motorsport UK definition of pump fuel (see Terminology) must display an orange disk as per J5.13.6

26. HEALTH AND SAFETY

Competitors are reminded of their obligation to observe the Health and Safety at Work Act (R39.1.1). SOS and OK boards are to be used by competitors and officials at an accident to indicate to the following competitors whether medical assistance is required or not. Competitors observing such signs must report their nature and location to the Stage Finish control. Competitors who abuse this system will be DISQUALIFIED and may be reported to Motorsport UK by the Steward for disciplinary action.

28. JUDGES OF FACT

Judges of Fact will be appointed and listed on the Virtual Notice Board. They will be on duty throughout the event to observe noise, illegal servicing, correct route, chicanes, baulking, service speed limit, fire extinguishers, etc., in addition to all misdemeanors listed under the Supplementary Regulations.

29. TIMING

The event will use timing equipment supplied by RAB timing.

The event will use Target Timing. All Special Stages will have a Bogey Time set at 75MPH and a Target Time set at approximately 30MPH. Competitors will receive penalties as follows: -

Under Bogey	Bogey Time
Over Bogey / Under Stage Maximum	Actual time taken
Over Stage Maximum	Stage Maximum Time

Lateness over Target on special stages is cumulative and once lost cannot be regained. When cumulative lateness exceeds 15 minutes between any two main controls, a competitor will be disqualified.

30. CONTROLS

Main Controls (MC) (R31.2.9) – Will be situated at the Start and Finish of each leg of the rally. On arriving at an MC, a competitor will receive their due time out (Due times for MC1 will be displayed on the Virtual Notice Board as soon as possible). Competitors will depart at 30 second intervals in order of arrival at the MC.

Stage Arrival Control (SAC) (R31.2.11) – At this time control a Marshal enters a Competitor’s time of arrival and the provisional starting time for a special stage which must be a minimum of 3 minutes after the arrival time in order to allow the crew time to prepare for the stage. The area between the special stage arrival control and the stage start is Parc Fermé. Once you have received your time at the arrival, no work can be carried out on the car except those listed in section R38.2.1. Outside assistance in this area is forbidden and only equipment carried in the car can be used.

Stage Start Control (SSC) (R25.7.2) – On arrival, competitors will be given an actual start time in hours, minutes and seconds. When the time has been accepted the marshal will assume that the competitor is ready to start. The start procedure will be by automatic timing equipment. The start procedure will be as follows: 15 seconds Red light will be displayed, 10 seconds Red light will go out, and Amber lights will be displayed, at 5 seconds the five Amber lights will extinguish, one every second (5,4,3,2,1) at the start time Amber light goes out & Green light goes on, 10 seconds after start time Green light goes out. Should the electronic start system fail, then the start procedure will revert to the manual start procedure outlined in R25.7.1 The 30 second advanced warning will be dispensed with R25.8

Stage Finish Control (SFC) (R31.2.12) – The competitor will receive their finish time in hours, minutes and seconds. Any competitor who fails to stop at the Stop line must not, under the pain of disqualification, reverse to the Stop line, but must return on foot. At the end of the last special stage the SFC will also be MC2.

Passage Control (PC) - This point must be visited after each stage where competitors will be allocated a due time at the next Stage Arrival Control.

31. FINISHERS

Competitors must complete two-thirds of all stages in order to be classified as a finisher.

If a crew is unable to complete a stage but wishes to continue on a subsequent stage, they must report to the CLO who will issue them with a start time for the next available stage. The competitor will be slotted back in the field at the organisers discretion.

If the vehicle has sustained damage, then the vehicle must be re-scrutineered before a restart time will be issued.

The penalty R32.2(a) will be applied for any Main or Time Controls missed.

All competitors must forward their damage declaration form on finishing the event or on their retirement, to the Secretary of the Meeting (R40.1.3). Retired competitors who fail to complete and return this form within 72 hours of the event may be penalised with a fine of up to £100 (R40.1.4) and reported to Motorsport UK.

32. MISCELLANEOUS

The driver named on the entry form is the only person permitted to drive the vehicle on the event. Co-drivers may not drive. Entrants, if different to the driver, may not drive.

Chicanes – Substantial tyre chicanes will be built on the circuit at various locations. 3,2,1 boards will not be present at these locations. Drivers failing to negotiate the chicanes correctly will be given a 10-second time penalty for each contravention as per G5.3-G5.3.10 and C2.1.1. Penalties may also be applied as per R32.2(c).

NO ENTRY Boards – NO ENTRY Boards will not be used on this event.

Junction numbers will not be displayed on the stages.

Additional high visibility arrows may be placed on the stage in order to clarify the correct route.

Competitors may stay at the venue overnight, but under no circumstances may any vehicle travel along any section of the venue other than the access road and service area, and only then at a maximum of 5MPH. The organising club will take no responsibility whatsoever for any loss or damage caused by people staying overnight. The bar will be open during the Saturday evening serving bar food. A toilet and shower block are available.

33. BEHAVIOUR

Any report of bad behaviour will be reported to the organising committee and Motorsport UK and will not be allowed to start or continue to compete in the event, forfeiting the entry fee. No hooliganism of any kind, in any vehicle will be permitted anywhere within the venue. Contravention by any competitor, their service crew or friends will result in the immediate Disqualification of that competitor from the event and reported to Motorsport UK.

Any competitor, or person deemed by the organisers to be associated with a competing crew, found to be under the influence of alcohol or drugs during the event will result in the competing crew being disqualified from the event, reported to the Motorsport UK, and removed from the venue. The Stewards of the Meeting have the power to disqualify any competitor whose language or behavior is deemed to be threatening.

The consumption of alcohol in the service area will not be tolerated, anyone found consuming alcohol in the service area will be removed from the venue.

No bonfires may be lit at the venue. No fireworks may be lit at the venue. Please leave litter in the bins provided or take it home with you. Please keep noise to a minimum, to avoid unnecessary nuisance to near-by residents.

No dogs are allowed at the venue.

Your behaviour may affect the future of the venue.

34. TRACK SIGHTING

There will be an opportunity on the morning of Saturday 1st June 2024 between the hours of 10:00 and 12:00 to conduct sighting of the circuit and stages. This is to be done only by foot or pedal cycle (no e-bikes, e-scooters or any motorised personal transport).

All competitors sighting the circuit **MUST** wear hi-vis clothing at all times on track. Event setup teams will be working on track during this period.

Failure to follow instruction of an event official, or failure to wear hi-vis clothing during the sighting will be reported to the Clerk of the Course and may be penalised in accordance with 27(y).

35. GARAGES

This year the circuit garages will be allocated by a raffle system to those competitors indicating on their entry form that they are interested in renting a garage for the weekend.

On 17th May, nine competitors who have expressed their want to be in the raffle, before 14th May will be drawn at random. The nine competitors will be contacted by email to the email address provided on the entry form. They then have 48 hours to respond to the Entries Secretary to confirm and pay £200 for the complete two-bay garage, which can be shared by two competitors. If not all the garages have been allocated within 48 hours, the raffle will continue until they are all allocated.

NO refuelling may be carried out in the garages, refuelling must take place in the open air.

36. MARSHALS

As you can appreciate, we need a great deal of marshals to run the event and would appreciate if all competitors could provide the name and contact number of at least one person who could marshal on the event. This person then needs to contact the Chief Marshal, who will arrange pre-event signing-on. Marshals should arrive at Anglesey Circuit between 08:00 hours and 11:00 hours on the Saturday morning. Anyone who could offer some assistance with marshalling duties can contact Huw Gwyn Jones on 07547 648130.
