First of all, it has been brought to our attention by local landowners that several cars have been practicing around the area of the rally route, these cars will be excluded at Driver's Briefing and no refund will be given. Public Relations issues are important to C&A Motor Club and a high penalty has to be put in place for those deemed to be practicing.

Please see the plan below for location of the trailer park, noise test and scrutineering.

If a board is present, crews must record the code in the appropriate box and it must be verified at the next manned control (excluding DSO's, Secret Checks).
